JANRELLE L. LUBIANO

WEB DEVELOPER

Victory Tubay Agusan del Norte | +639667245073 | lubianojanrelle@gmail.com

PROFILE SUMMARY

Motivated and detailed-oriented Junior Web Developer with handson experience building real-world web applications featuring authentication, REST API integration, and database management. Skilled in developing responsive front-end interfaces and structured back-end systems using modern web technologies. Passionate about writing clean, maintainable code and continuously improving technical skills to contribute effectively in a professional environment

PROFESSIONAL PROJECT

CBR Dashboard System **Personal Project | 2026**

- Developed a secure administrative dashboard for managing city content and data.
- Implemented JWT-based authentication and protected routes.
- Built full CRUD operations for news, events, ordinance, and members.
- Design structured MongoDB schemas for scalable data management.
- Integrated REST APIs with a public=facing website.
